## EXECUTIVE SUMMARY

A highly disciplined and results-driven professional with a Master's degree in International Law and currently pursuing a PhD in Economic Public Law, specializing in public finance and climate change. With a proven track record of academic excellence, research, and hands-on experience in public management, law, and auditing, I bring valuable expertise in governance, public budgeting, and environmental auditing. I am proficient in navigating complex legal frameworks and delivering impactful solutions in the public sector. I hold professional certification in law and auditing, alongside strong communication, leadership, and cross-cultural skills. Fluent in multiple languages, I am eager to contribute to the development of sustainable, transparent, and efficient governance in the Gulf region.

---
